## Troubleshooting

### Step 1

If installation is blocked, go to your settings

### Step 2

Enable 'Allow installation of apps from sources other than the Play Store'

## ← Security

### Password typing visible

Show last character of the hidden password as you type

## PHONE ADMINISTRATION

### Phone administrators

View or deactivate phone administrators

### Unknown sources

Allow installation of apps from sources other than Google Play Store

### Verify apps

Disallow or warn before installation of apps that may cause harm

### Notification access

Apps cannot read notifications

## CREDENTIAL STORAGE

### Credential protection

Software only

## Step 3

Go to your browser and [re-download](#) app again
